

MOU between Ariaian Young Innovative Minds Institute, AYIMI, and(Affiliation Organization name here)

According to this MOU AYIMI and the(AO name here)
.....From..... (Country here) come together to collaborate in
ISAC Talk.

ISAC Talk

ISAC Talk, is an **international Artistic and Scientific Festival** for juniors, high school and undergraduate students individually or as a team work (2-3 students) and all who are interested to join this program. **AYIMI** and **ADIB** institutes jointly in Iran, are the main organizers of this event. There are various offered categories every year and our affiliated organizations may organize this event in their own countries according to the rules and all related information on **AYIMI & ADIB** website (<http://www.ayimi.org>, <http://ayimi.org/adib>).

Affiliated Organization

AO name description and full address, contact person.....

- ❖ Our Partners consist of all communities, unions, societies,... who join in different sections and categories in ISAC Talk Festival.
- ❖ Volunteers from all countries may gather in our different working groups such as **Artistic Working Group, Scientific Working Group ...**
- ❖ **ISAC Talk Executive Committee** consist of volunteer members of affiliated organizations in their own countries who are willing to hold this event and by voting (every two years). The main members are as follows (it depends on affiliated members if any other members or changes are needed):

- President
- Vice president
- Secretary
- Treasurer
- IT & Social media manager

Each **Executive Committee** is responsible to collect the registration fee for providing prize, medals, certificates,... and also awards to the selected projects in their own country.

The Grants

Every year, **ISAC Talk Community** awards grants to the applicants who develop the main aims in supporting interactions between this community and other societies and organizations in other countries. Successful applicants which have been selected by the **Executive Committee**, can be announced publicly.

All the information regarding those who are dedicated awards and grants will be announced on AYIMI and ADIB website and social media.

This **MOU** will be executed by the duly authorized representative from the last date and year written.
