

BUCA IMSEF 2020 JURY EVALUATION RULES

Project presentations and piano performances will take place through the Zoom program.

Evaluation time for project presentations is 7 minutes project presentation and 3 minutes question-answer. The evaluation period in the Music-Piano category is 15 minutes.

Project presentations will be based on Powerpoint presentation and the student is required to screen share during the evaluation.

In the piano category, the finalists will play the piano pieces they stated in the application form live on the piano. During the performance on the zoom platform, the camera angle should be adjusted beforehand so that the student and his/her piano can be seen exactly.

Only the student / students who will present the project and the student who will exhibit piano performance can attend the evaluation sessions. Participation of advisors to the evaluation session will not be accepted.

Students must attend the session within the program sent to you and 5 minutes before the time of the project presentation / piano performance through the Zoom access links of the categories.

The jury evaluation schedule is set according to GMT + 3 time zone, and participants must convert their presentation times according to their own time zone.

Zoom name must be in the form of Student Name-Surname and Country. BUCA IMSEF Background should be used.

The camera and microphone of the students must be open during the assessment.
